

You learned French with us.

Millefeuille Provence is becoming Millefeuille International

A new name, new locations, the same spirit

Thank you for trusting us

Whether you joined us one year ago, three years ago, or ten, you're part of Millefeuille's story! We're delighted to share this new chapter with you: Dominique is selling the property and retiring at the end of the year, but our French immersion courses continue in other welcoming locations — in Courthézon from 15 November 2026, then in Rasteau in March, April and May 2027. Same team, same method, same attention to every trainee.

A NEW NAME

Millefeuille International

Millefeuille International also plans to organise French immersion courses in other French-speaking countries. A project is taking shape in Morocco (more to come).

NEW LOCATIONS

Our upcoming sessions in Courthézon and Rasteau

Still full board, still full immersion from Sunday evening to Friday, with groups of two to four people. Only the location changes.

What helped you make progress hasn't changed — our teachers, our method, the attention given to every trainee.
